

Hi there!

I've kept it short and sweet this time round, I wanted to make sure you had plenty of opportunity to take us up on our fantastic Valentines offer (only 20 packages available so be quick! see page 2 for details)

We have also introduced a new treatment to our menu – perfect right now if you have over indulged in the late night festivities! We've called it our **EYE ZONE** Treatment. It is designed as an add one package so you can include it while you are having a facial or eye combo – or heck just about any other treatment if you feel like you just want to relax and let our amazing products work their magic ☺

Just what is our Eye Zone treatment? Well it's best explained as a facial for the eyes, designed to hydrate and refresh the eye area (yip that's aka for plumping up fine lines and wrinkles) it only takes 10 minutes and you get **to take home a 5ml perfecting gel** (valued at \$27) so you can keep your eyes looking fresh and youthful.

And how much is it going to cost to rid yourselves from those tired eyes? **Just \$35!** So get on the phone now and book it in, in fact why not add it onto our fabulous Valentine's Day offer (see page 2 for details).

The world always looks brighter from behind a smile.

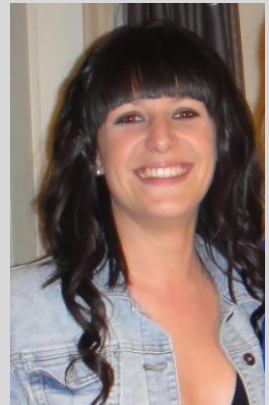

Happy Valentines everyone ☺

Keep smiling

Tracey
